Public Speaking for College & Career is an integrated program that helps students practice, build confidence, and achieve success in public speaking, both in the classroom and beyond. Connect Public Speaking provides students a wealth of resources to prepare and plan speeches, while LearnSmart--McGraw-Hill's proven adaptive learning system--guides them toward mastery of key course concepts. Additionally, Connect's highly flexible speech capture tool saves instructors valuable time in managing assignments and evaluating student speeches.

Taking a practical, accessible, and non-intimidating approach to public speaking, *Public Speaking for College & Career* presents numerous stories, examples, activities, and concrete techniques to show students how to achieve clarity and confidence during the speeches they must give in college, in their careers, and in their communities.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
