**The McKettricks of Texas: Tate, Garrett and Austin: McKettricks of Texas: Garrett/McKettricks of Texas: Austin** Linda Lael Miller

Another unforgettable series from #1 New York Times bestselling author Linda Lael Miller. Find out why she's called the First Lady of the West!

**Tate.** He's running the family's Silver Spur Ranch near Blue River, Texas. He's also a divorced dad of six-year-old twins. Libby Remington was his high school girlfriend and she's the woman he still loves. He just needs to convince her of that! Nothing—not cattle rustlers, a killer stallion or a vindictive ex-wife—can keep him from the attempt.

**Garrett.** He was on a fast track up the political ladder—until a scandal slowed him down and brought him home to Blue River, Texas. He doesn't think he has the land in his blood the way his brothers do. But Blue River has other charms, like Julie Remington, a woman with deep ties to the community—not to mention a four-year-old son and a three-legged beagle. Good thing he and Julie have nothing in common except their undeniable attraction—or do they?

**Austin.** He's a lone maverick—and he was a champion rodeo star until finally he got bested by an angry bull. With his career over and his love life a mess, he returns home to the Silver Spur. But his brothers won't allow him to brood about his losses in peace; over his protests, they've even hired a nurse to speed his recovery. None other than the beautiful Paige Remington...

*Meet these three men of the West—and the women they love!*
