Cleveland Amory

Who Killed Society? Cleveland Amory

"This is the most engaging history we have ever read; a book of solid and gargantuan research packed with revealing and often hilarious anecdotes which liven the authorized pace to an exhilarating gallop" Alice Dixie Bond, Boston Herald "Drops names at a prodigious rate...some of them right on their tear-streaked heads...A sage at once comic and appalling and, in the highly skilled, anecdotal Amory manner, quite steadily interesting...Mr Amory is the liveliest living chronicler of American society...He can write too." John K. Hutchens, N.Y. Herald Tribune "Utterly fascinating...a witty blend of social history and gossip de luxe...Cleveland Amory, whose *The Proper Bostonian* and *The Last Resorts* made him the country's number one society etcher, has written a history of society in America...*Who Killed Society?* is a lightly written but seriously researched history of American manners and morals" Fanny Butcher, front page review, Chicago Tribune.
