Christmas Books (Complete, and with the Original Illustrations) Charles Dickens

- Illustrated with all the original Illustrations.
- Table of contents to every chapters in the book.
- Complete and formatted for kindle to improve your reading experience

A Christmas Carol is a novella by English author Charles Dickens, first published by Chapman & Hall on 19 December 1843. The story tells of bitter and miserly Ebenezer Scrooge's ideological, ethical, and emotional transformation resulting from supernatural visits from Jacob Marley and the Ghosts of Christmas Past, Present, and Yet to Come. The novella met with instant success and critical acclaim.

The Chimes: A Goblin Story of Some Bells that Rang an Old Year Out and a New Year In, a short novel by Charles Dickens, was written and published in 1844, one year after A Christmas Carol and one year before The Cricket on the Hearth. It is the second in his series of "Christmas books": five short books with strong social and moral messages that he published during the 1840s.

The Cricket on the Hearth. A Fairy Tale of Home is a novella by Charles Dickens, published by Bradbury and Evans, and released 20 December 1845 with illustrations by Daniel Maclise, John Leech, Richard Doyle, Clarkson Stanfield and Edwin Henry Landseer. Dickens began writing the book around 17 October 1845 and finished it by 1 December. Like all of Dickens' Christmas books, it was published in book form, not as a serial. Dickens described the novel as "quiet and domestic [...] innocent and pretty." It is subdivided into chapters called "Chirps", similar to the "Quarters" of The Chimes or the "Staves" of A Christmas Carol. It is the third of Dickens's five Christmas books, the others being A Christmas Carol (1843), The Chimes (1844), The Battle of Life (1846), and The Haunted Man and the Ghost's Bargain (1848).

The Battle of Life: A Love Story is a novella by Charles Dickens, first published in 1846. It is the fourth of his five "Christmas Books", coming after The Cricket on the Hearth and followed by The Haunted Man and the Ghost's Bargain.

The setting is an English village that stands on the site of a historic battle. Some characters refer to the battle as a metaphor for the struggles of life, hence the title.

Battle is the only one of the five Christmas Books that has no supernatural or explicitly religious elements. (One scene takes place at Christmas time, but it is not the final scene.) The story bears some resemblance to The Cricket on the Hearth in two aspects: it has a non-urban setting and it is resolved with a romantic twist. It is even less of a social novel than is Cricket. As is typical with Dickens, the ending is a happy one. It is one of Dickens' lesser-known works and has never attained any high level of popularity, a trait it shares among the Christmas Books with The Haunted Man.

The Haunted Man and the Ghost's Bargain, A Fancy for Christmas-Time (better known as The Haunted Man and the Ghost's Bargain or simply as The Haunted Man) is a novella by Charles Dickens first published in 1848. It is the fifth and last of Dickens' Christmas novellas. The story is more about the spirit of the holidays than about the holidays themselves, harking back to the first of the series, A Christmas Carol. The tale centers around a Professor Redlaw and those close to him.
