## **Conversing with Death: To Build a Better Now and Future** Kevin Quiles

*Conversing with Death* is a concise text that introduces a unique, phenomenological method on how to gain more than just a conceptual knowledge of death. Out of fear, we crave youthful appearance, longevity, and a happily ever after mentality while refusing to seriously consider the inevitable that awaits each of us--aging, illness, and death. *Conversing with Death* offers an introductory path by which the reader can move and explore the subtle and not so subtle existential swelling that lies beneath. But this book doesn't stop there. Once we arrive at a more intimate knowledge of our fate, something dramatically happens. We develop a more intentional mindset for living, increase our humanitarian efforts, and cultivate a grateful attitude for life as it is.
