Creator Spirit: The Holy Spirit and the Art of Becoming Human Steven R. Guthrie

Art is often viewed as being inherently spiritual. But what does it mean to describe an experience of art or beauty as "spiritual"? Is there a relationship between the spiritual experience a person has in the presence of a work of art and the Holy Spirit of Christian faith? Skilled theologian, musician, and educator Steven Guthrie examines areas of overlap between spirituality, human creativity, and the arts with the goal of sharpening and refining how we speak and think about the Holy Spirit. By exploring various connections between art and spirituality, he helps Christians better understand the doctrine of the Holy Spirit and offers a clear, engaging theology of the arts. The book includes a foreword by renowned theologian and musician Jeremy Begbie.
