John 8:44 (Volume 3): Exposing the Sons of Satan Joe Cortina

The collected essays of former Green Beret Joe Cortina combine the life's knowledge of an unusually interesting man who "has seen it all", the wisdom of a learned scholar, and the red-hot angry passion of a righteous warrior who is crawling out of his skin over what has become of the country he once loved; but sadly, no longer exists. At a superficial glance, Cortina's essays ring of what some might call "hatred". But those who know Joe understand that he writes with a loving heart and in accordance with the timeless wisdom from Proverbs 8:13: "The fear of the Lord is hatred of evil. Pride and arrogance and the way of evil and perverted speech I hate." The world could use the powerful medicine of righteous indignation. "Dr." Cortina's highly informative essays deliver a mega-dose. Can you handle it?
