Shared 2- On My Birthday (Shared Series)

Jamie Klair

Shared 2- On My Birthday (Shared Series) Jamie Klair

"Are you going to spend your birthday party in your birthday suit?"

Caleb and his wife are back for another round, this time at a swinger's bar with whips, blindfolds, handcuffs, and a stranger.

This short story contains light spanking, a hot husband who wants to share his horny little wife again, a MFM threesome, another trip to a swinger's club and some light S&M. Enjoy!

Approx. word count 8,500+ (Not including supplementary material)

A bonus sample of 'Taking My Husband And His Twin- A Swingin' D Dude Ranch Short' follows this story.

Note- Portions of this short story were originally part of a longer, tamer novel under my other, more romantic pen name. I have since merged both pen names, so this title shares similarities with scenes in my long series 'Corrupted.' Shared, Shared 2 and Shared 3 contain scenes from my Corrupted series, since they were originally published under two pen names. The full Corrupted series is aprox the length of two long novels, and I pulled a few scenes from it to make the Shared shorts. If you've read Corrupted, you may want to pass on these shorts. If you really enjoyed these shorts, you may want to pick up Corrupted to get the entire story.

From reader reviews:

Betty Lavery:

What do you concentrate on book? It is just for students since they're still students or that for all people in the world, what the best subject for that? Just you can be answered for that question above. Every person has several personality and hobby for every other. Don't to be obligated someone or something that they don't desire do that. You must know how great and also important the book Shared 2- On My Birthday (Shared Series). All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Joe Hessler:

This Shared 2- On My Birthday (Shared Series) book is simply not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this guide incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. This Shared 2- On My Birthday (Shared Series) without we realize teach the one who reading it become critical in considering and analyzing. Don't always be worry Shared 2- On My Birthday (Shared Series) can bring whenever you are and not make your bag space or bookshelves' turn out to be full because you can have it in the lovely laptop even cellphone. This Shared 2- On My Birthday (Shared Series) having excellent arrangement in word and also layout, so you will not sense uninterested in reading.

David Hoag:

Reading a guide can be one of a lot of pastime that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new details. When you read a e-book you will get new information simply because book is one of many ways to share the information or perhaps their idea. Second, looking at a book will make an individual more imaginative. When you looking at a book especially fiction book the author will bring that you imagine the story how the people do it anything. Third, it is possible to share your knowledge to other folks. When you read this Shared 2- On My Birthday (Shared Series), you can tells your family, friends as well as soon about yours publication. Your knowledge can inspire the mediocre, make them reading a book.

Jennifer Stanley:

The reason why? Because this Shared 2- On My Birthday (Shared Series) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking method. So , still want to delay having that book? If I were being you I will go to the guide store hurriedly.
