The Canadian in America: Real-Life Tax and Financial Insights into Moving to and Living in the U.S.

Brian D Wruk

The definitive guide to crossing the border and calling America home — revised and updated with even more timely tax tips

Hundreds of thousands of ex-Canadians live south of the border. The similarity in culture can lead Canadians to mistakenly think that the U.S.'s taxes, laws, and customs are also the same. *The Canadian in America* is an invaluable resource for anyone either contemplating a move or already living in the U.S.

Revised and updated, this edition of *The Canadian in America* focuses on the areas of taxation, investments, health care, wills, and estates. It covers the eight areas of financial planning in any Canada/U.S. situation: immigration planning, customs planning, cash/debt management, income tax planning, retirement, estate planning, risk management, and investments. In clear and simple language, Canada/U.S. financial expert Brian D. Wruk explains ways in which one can avoid cross-border complications like double taxation.

Perfect for Canadians who have married U.S. citizens, moved for their employment, are professional athletes or entertainers, are seeking a warmer climate for their retirement, or are U.S. citizens moving back home from Canada.
