Richard Bachman

Blaze: A Novel Richard Bachman

Once upon a time, a fellow named Richard Bachman wrote *Blaze* on an Olivetti typewriter, then turned the machine over to Stephen King, who used it to write *Carrie*. Bachman died in 1985 ("cancer of the pseudonym"), but this last gripping Bachman novel resurfaced after being hidden away for decades -- an unforgettable crime story tinged with sadness and suspense. Clayton Blaisdell, Jr., was always a small-time delinquent. None too bright either, thanks to the beatings he got as a kid. Then Blaze met George Rackley, a seasoned pro with a hundred cons and one big idea. The kidnapping should go off without a hitch, with George as the brains behind their dangerous scheme. But there's only one problem: by the time the deal goes down, Blaze's partner in crime is dead. Or is he? Includes a previously uncollected story, "Memory" -- the riveting opening to Stephen King's new Scribner hardcover novel, *Duma Key*.
