Groom's Gift Beth Kery

What do you get when you mix together a man about to make a big mistake in marrying the wrong woman, a woman who would do anything to convince him of it, and a bag of bachelor party sex toys? One night of steamy, phenomenal sex. But what about tomorrow? Libby Taylor fell in love with sexy reporter John Waite through the unlikely media of the computer and his father's stories. Now Libby is determined to have him for just one night before he becomes a married man. John was having doubts about going through with his wedding, but that didn't explain the high-voltage blast of pure lust that hit him when he walked into his bedroom and saw a woman wearing nothing but pink bows and stiletto heels. She told him that she'd been sent by his friends for one night of wild passion. John found he didn't have the interest or the will to turn down such an inspired gift.
