**Melville's Antithetical Muse (Biblioteca Javier Coy d'estudis Nord-americans)** Juana Celia Djelal

Este estudio analiza la poética de oposición de Melville y se centra en aspectos locales, temáticos, retóricos y técnicos de los poemas del autor. La tensa relación de Melville con su país se condensa en la poesía que se analiza aquí. La disensión que emana de este corpus poético subraya el inconformismo de Melville con las expectativas ortodoxas de la América de finales del siglo XIX.
