“Swann’s Way puts you firmly behind the eyes and into the mind of its characters. And so completely will you borrow their thoughts, feelings, and passion, that they become entangled with your own. This isn’t just a good book. It’s hard to define, sublime and infinitely underlineable; but ultimately, Swann’s Way is nothing short of a walking tour for the human mind.” Mind Blowing Books

“For 100 years now, Swann’s Way, the first volume of Marcel Proust’s masterpiece, has engaged and enchanted readers. Within moments of turning back the cover and dropping your eyes into the trenches of text, the reader is sent to soaring heights of rapture while clinging to Proust’s prose, leaving no room for doubt that this is well-deserving of its honor among the timeless classics.” S. Penkevich

“When in Proust’s world, it is the remarks on human nature and memory and social customs and relationships and whatever else comes with that trip that makes it so worthwhile.” Jason

“Swann’s Way is often regarded as one of the best novels ever written. The fact that so many readers have continued to praise the text since its original publication in 1913, lead me to add it to my reading list some time ago. After finishing the book, I decided that I agree with the praise it has been given over the years.” Lisa’s Literary Life

SWANN’S WAY is a masterpiece of memory, longing and love which will stay with you forever. Beautifully presented for Kindle, marking the 100th anniversary of its publication, this is the first volume of Marcel Proust’s ‘Remembrance of Things Past.’
