Dr. Laura:

A Mother in America

Christian Insights about America's Best Known Mom

By Minister Ray McClendon

Foreword by Dr. Laura Schlessinger

Nominated for National Mommy, Dr. "I-am-my-kid's-mom" Laura Schlessinger is cleaning house in America!

- "But I'm a victim." Get over it.
- "But it felt so good." What's that got to do with what's right?
- "But I don't know what to say." Just tell the truth.
- "But..." Do what mother tells you!

She's Mary Poppins with an attitude, leading the way in a moral spring cleaning that's sweeping the country. Every week, America's best known mom preaches, teaches, and nags traditional values to 20 million listeners. But is her counsel on marriage, the family, and relationships reliable? Does it match with Scripture?

Ray McClendon, a trusted friend and fax buddy, delivers a fascinating look at 'Mother' Laura's advice in light of both the Old and New Testaments. With touching and humorous excerpts from the Dr. Laura radio program, Ray highlights the biblical truths behind this feisty First Lady of morality.
