Sometimes people wonder why they feel stuck in life, as if they are living out their days in an unnatural and often hostile environment. But the truth is, this is a reality for people attempting to follow Jesus in our world. We are displaced persons. But God is at work in displacement. And it's in this environment – in the alleys of life – where extraordinary growth takes place and our faith grows the most. This book is about a journey of understanding how we are to navigate a life of faith amid a world of such uncertainty, and oftentimes, of great darkness.
