The Oxford Companion to Canadian Military History

Dean F. Oliver, J. L. Granatstein

The Oxford Companion to Canadian Military History Dean F. Oliver, J. L. Granatstein

The Battle of Vimy Ridge, the Dieppe Raid, the Italian Campaign: the Canadian military has been indispensable to many of the greatest victories-and disasters-of our time. The evolution of Canada as a military power is chronicled here by military historians Dean F. Oliver and J.L. Granatstein in this authoritative and highly readable book.

Their entries include concise biographies from James Wolfe to Louis Riel to Rick Hillier; key military-political issues like the conscription crises, war finance, and Canada-US relations; lesser-known conflicts such as the Pig War and the Aroostook War; and more recent issues facing the Canadian Forces, including sexual harassment and post-traumatic stress disorder. We see Canada through an international lens as a war fighter and a peacekeeper-and as a participant in some darker moments.

Rare photographic material and original wartime paintings (reproduced in full colour) illustrate the people, events, and hardware that define Canada's military history. Additional material includes a timeline chart and other historical and bibliographical reference information. An authoritative guide and compelling read, The Oxford Companion to Canadian Military History reminds us of our collective history that we must continue to investigate, understand, and now-more than ever-remember.

From reader reviews:

Mellisa White:

The reason why? Because this The Oxford Companion to Canadian Military History is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

Nancy Smith:

Your reading 6th sense will not betray an individual, why because this The Oxford Companion to Canadian Military History guide written by well-known writer we are excited for well how to make book that can be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and producing skill only for eliminate your hunger then you still hesitation The Oxford Companion to Canadian Military History as good book but not only by the cover but also by content. This is one e-book that can break don't judge book by its protect, so do you still needing another sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listening to one more sixth sense.

Leroy Mallett:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV the whole day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Smart phone. Like The Oxford Companion to Canadian Military History which is obtaining the e-book version. So , why not try out this book? Let's notice.

Barbra Walker:

As we know that book is essential thing to add our know-how for everything. By a publication we can know everything we would like. A book is a pair of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added.
