This study guide is a must-have for students and teachers who are facing the PARCC® and the Common Core State Standards!

What Are the Common Core State Standards (CCSS)?

The Common Core State Standards Initiative is a state-led effort coordinated by the National Governors Association Center for Best Practices and the Council of Chief State School Officers. The standards provide teachers and parents with an understanding of what students are expected to learn. Consistent standards provide appropriate benchmarks for all students, regardless of where they live. These standards define the knowledge and skills students should have within their K-12 education so they will graduate high school able to succeed in entry-level, credit-bearing academic college courses and in workforce training programs.
