## **Disaster Recovery & Continuity of Business: A Project Management Guide and Workbook for Network Computing Environments** John L. Cimasi

"The book offers a comprehensive guide for businesses on how to develop and implement effective disaster recovery and continuity of business plans that will make it possible for the company to keep working in the face of an event that cripples its information systems. Useful charts and helpful bulleted lists are offered for planning teams to customize for their company's needs. It's hard to think of any aspect of continuity planning that is not addressed by the book. Professional, thorough, detail-oriented and knowledgeable, the book is well organized and logically structured. It's clear to readers that the author has "been there, done that" with developing DR/COB plans and has the voice of experience that can help users of this guide prepare for any eventuality." - The Editor
