### The Chase

Claire Hayden has no idea that her world is about to be shattered. At the conclusion of her husband's fortieth birthday party, he is found murdered. He has no enemies. He has committed no crimes. He has no shady past. Or, at least that's what Claire thinks...

Claire's search for information leads her to the mysterious Ian Marshall, a stranger who first appeared in her life on the night of her husband's death; a stranger who appears to be involved. Someone has been killing this way for decades. Someone who will do anything to make certain no one finds out. The mystery brings them from San Francisco, to New York, to London, and to a tangled web of secrets, family intrigue, and a jealous heir whose murderous impulses don't stop with the first killing. Is Claire unknowingly connected to the killer? Does Ian Marshall know more than he can say? And Ian proves himself to be a dangerous man: dangerous to Claire's mind, heart, and emotions. As Claire and Ian team up to track down the killer, they make a terrifying discovery: The killer may be someone very close to Claire—and Claire may be next...
