For fans of Lemony Snicket's Series of Unfortunate Events and Trenton Lee Stewart's Mysterious Benedict Society, here comes the fifth book in the Incurrigible Children of Ashton Place, the acclaimed and hilarious Victorian mystery series by Maryrose Wood.

Lord Fredrick Ashton may not feel ready to be a father, but with a little Ashton on the way, he's sure about one thing: the wolfish curse on his family must end soon, before the child is born. Penelope willingly takes on the challenge; when Lady Constance's doctor prescribes a seaside holiday, Penelope jumps at the chance to take the three Incurrigible children to Brighton, where she hopes to persuade the old sailor Pudge to reveal what he knows about the Ashton curse.

But the Ashtons are not the only ones at the beach in January. The passionately temperamental Babushkinov family is also taking the winter waters.

The Incurrigible children may have been raised by wolves, but the Babushkinov children are the wildest creatures they've ever seen. Is it more than mere coincidence that these untamed children have turned up in Brighton just as Penelope and the Incurrigibles arrive?
