## Beowulf: An Edition

This magnificent new edition, which includes relevant shorter texts and key illustrations, is designed specifically to help those who, while already enjoying some acquaintance with Old English, come to Beowulf for the first time. As in their celebrated Guide to Old English, Fifth Edition, the editors rarely claim to originality in their emendations and interpretations. Rather they have tried to select what seemed to them the best scholarly view on each point, and usually this has been the view that enjoys a majority consensus among editors and scholars. They adopt a detached and impersonal presentation, resisting interpretation, except in a short section where they individually explain their own differing views about the poem. Concerned to encourage the reader as much as possible, Mitchell and Robinson keep their notes and emendations to a minimum. While they by no means attempt to conceal the existence of phonological and metrical problems, or of variant readings, they actively discuss such problems or readings only where these may affect the meaning of the poem. Leslie Webster's important contribution to the edition shows too the editors' determination to provide the reader with a contextual account as comprehensive as possible, within the bounds of an affordable edition, as does their discussion of what Klaeber calls the poem's "fabulous" and "historical" elements. Beowulf: An Edition consists of four parts: an introduction; text and notes; an account of how the editors arrived at their text; and a section devoted to giving the background to the poem. The text of the poem provided is that presented in the manuscript, in Wanley's catalogue, in the Thorkelin transcripts, in Kiernan's report on the state of the manuscript, and the compilation of J. R. Hall, with modern punctuation (used minimally) and modern diacritics.

### From reader reviews:

#### **Alberto Holbrook:**

As people who live in the modest era should be up-date about what going on or facts even knowledge to make these keep up with the era and that is always change and move forward. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This Beowulf: An Edition is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

#### **Juan Carrillo:**

Nowadays reading books are more than want or need but also get a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want sense happy read one with theme for entertaining for instance comic or novel. Typically the Beowulf: An Edition is kind of publication which is giving the reader erratic experience.

#### **Harrison Colon:**

Information is provisions for people to get better life, information nowadays can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is in the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Beowulf: An Edition as the daily resource information.

#### **Barbra Walker:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Beowulf: An Edition can make you really feel more interested to read.
