Burnout: The Complete Series Dahlia West

The complete box set of the Burnout series.

Meet the men of Burnout. Five ex-Army Rangers who've settled in Rapid City, South Dakota. Five men who've decided that friends are the family you choose.

Shooter (Burnout 1)

Chris "Shooter" Sullivan has returned to his home town of Rapid City, South Dakota to pick up the pieces of his life shattered by a roadside bomb in Iraq. He only wants to focus on holding what's left of his old unit together, running his garage where he builds custom bikes and cars, and pretending that his murdered father's motorcycle gang doesn't exist.

Tex (Burnout 2)

Mark Marsten traded the Texas range for the Army Rangers years ago and never looked back. Now, he's settled permanently in Rapid City with the remaining members of his Special Forces unit. He thought he had it all, well almost anyway. Until a sassy redhead with a sharp tongue and body to die for rolled into town.

Slick (Burnout 2.5)

Sarah Sullivan survived the unimaginable. Now she's found love and friendship, everything a woman could possibly want. Or should want. But Sarah wants more. Even if it means she might lose everything she's gained in the process.

Hawk (Burnout 3)

Hawk Red Cloud lives by his own set of rules: Don't let them share the saddle, don't bring them home, and never spend the night. So far, he's managed to avoid commitment like the plague.

Easy (Burnout 4)

Jimmy "Easy" Turnbull lost more than just his lower right leg during his time in Iraq. The confident man whose good looks charmed countless women into bed has been gone for over three years. In his place is a surly and defensive wounded warrior plagued by self-doubt and anger.

Vegas (Burnout 4.5)

When Abby Raines moved to Rapid City, South Dakota she was gambling for a chance to live out her

dreams. She hit the jackpot and now has the swankiest hotel and the hottest boyfriend in the state, but she's still not completely satisfied. She's doubling down on a future with the only man who makes her weak in the knees (when she's not kneeling on them), the only man she'd ever call 'Sir.'

Doc (Burnout 5)

Caleb Barnes is on a mission. He's retired from the Army, but he's waging his own private war now. And though the men of Burnout are his former brothers-in-arms, Caleb fights his battles alone.
