Nations and Nationalism [4 volumes]: A Global Historical Overview

Nations and Nationalism [4 volumes]: A Global Historical Overview

The pervasiveness of nationalism, its many manifestations over the centuries, and the widely scattered way it has been studied make it a particularly difficult subject to approach and explore. ABC-CLIO offers the finest comprehensive reference available on an essential topic in modern world history. Across four volumes, *Nations and Nationalism: A Global Historical Overview* covers all aspects of nationalism, in all parts of the world, from the time of the French Revolution to the present day.

Nations and Nationalism helps students, researchers, and other interested readers explore national identities and nationalistic movements in historical context. Organized chronologically, its four volumes combine thematic essays on different characteristics of nationalism with case studies of key historical developments involving specific nations at specific times. The encyclopedia focuses on Europe, Latin America, Africa, and Asia, with featured coverage of nationalist cultural creations, including literature, music, symbols, and mythologies.
