Pocket Manual of Homeopathic Materia Medica William Boericke, Oscar E. Boericke

The Present work is an accurate and reliable compilation and the fullest collection of verified Materia Medica facts and clinical suggestions.

It contains the well known verified characteristic symptoms of all our medicines besides other less important symptoms aiding the selection of the curative remedy. All the new medicines and essentials of the published clinical experience of the school have been added. In its present compact form it contains the maximum number of reliable materia medica facts in the minimum space.

The author has tried to give a succinct resume of the symptomatology of every medicine used in Homoeopathy, including clinical suggestions of many drugs so far not yet based on provings, thus offering the opportunity to experiment with these and by future provings discover their distinctive use and so enlarging our armamentarium.

It will fulfil its purpose and prove a useful aid to the student and general practitioner.
