Stickman Odyssey, Book 1: An Epic Doodle

Christopher Ford

Stickman Odyssey, Book 1: An Epic Doodle Christopher Ford

When Zozimos is banished by an evil witch (his stepmother!) from the kingdom of Sticatha-the kingdom he was next in line to rule-he trains at battle (if you call chasing after butterflies training), travels across stormy seas (thanks for that, Poseidon), slays golems and monsters (with a lot of help), charms beautiful women (not really), and somehow (despite his own ineptitude) survives quest after quest. By the love of Zeus, though, none of it brings him any closer to home!

It does, however, make for one quirky, original, giggle-provoking graphic novel sure to appeal to any kid interested in Greek mythology, or merely looking for an entertaining read.
