Help students develop the skills they need to succeed on the new STAAR Math state tests.

This practice test book contains three complete full-length STAAR math tests just like the real STAAR tests that all Texas students take.

Each test is the same length, uses the same question styles, and covers every skill tested on the STAAR test. Taking each test is just like taking the real STAAR math test!

It's all new and updated for the new 2011-2012 Texas STAAR test!

Key Benefits

- Build confidence by using the tests to improve student performance
- Reduce test anxiety by allowing the student to practice taking the STAAR test
- Find out what score a student is likely to get before they take the real test
- Identify gaps in knowledge so you can target revision
- Use the full answer key and skills list to identify exactly what skills the student is missing
- Use the tests in revision so students develop the skills to answer all types of math questions
