Too Good to be True: Radical Christian Preaching, Year A Christopher D. Rodkey With a foreword by Peter Rollins and an afterword by Thomas J. J. Altizer, Too Good to be True is a collection of sermons written and preached from a radical theology perspective, which demonstrate preaching in a post-Christendom, post-'God' world. These sermons were actually preached in a mainline church in the US. The sermons follow the liturgical and lectionary year A, so clergy may use the books for their own preaching and easily reference it in their professional work.
