The Didasko Files

RESOURCES FROM THE LAUSANNE MOVEMENT

The Lausanne Movement is a confessional movement that seeks to articulate the role of today's Church. It links together evangelical movements around the world, and is the largest representative gathering of the Church. The Didasko Files is a growing series--that takes its name from the New Testament Greek verb didasko, meaning "I teach"--used by those involved with the Lausanne Movement. These books are meant to serve the world's Church by helping Christians to grow in their faith.
