Hike a trail, climb a tree! Smell the flowers, watch the birds! Explore the world!

Nature is full of adventures, but sometimes it's easy to forget things you felt or saw. What did those animal tracks look like? How did you feel when you gazed at the starry sky on a calm, clear night?

My Nature Book is the perfect place for a child to keep track of all of his or her memories. It's a place to draw and write about your experiences with nature, so you'll remember the sound of the squirrel you heard chattering, the color of the bird that landed on your lunch sack, or the way the meadow grasses waved goodbye. *My Nature Book* is also full of projects and ideas, such as how to make water windows and luminarias, and even how to make yummy peanut butter cookies or banana bread or muffins to take along on hiking trips. There are also lined pages for writing, blank pages for drawing, and numerous activity pages.
