**Real SAT II: Subject Tests - Writing/Literature Tests** College Entrance Examination Board and Educational Testing Services

The Literature test is currently administered, and this booklet includes one test that mimics the currently administered exam in both the number of questions and the content of the test. The booklet also includes a score conversion table. The Writing subject test for the SAT II Test is no longer administered. It was replaced in 2005 by the SAT I Writing Test, which currently tests very similar content. Hence we still recommend this as valued practice.
