Since ancient times, witches and magicians have worked magic with the aid of Familiars, or helpful spirits. Familiars may take the form of a beloved pet, a totem animal, or even a helpful nonphysical entity.

Explore the fascinating history of Familiar spirits in *The Witches' Familiar*. Written by one of today's leading authorities on both Wicca and traditional hereditary Witchcraft, this book is your complete guide to finding and working with a Familiar.

You'll read about the three types of Familiars: physical, astral, and spiritual. Learn how to call a Familiar to you, and how to choose an appropriate name. Discover how to use magical seals and sigils to command or release a nonphysical Familiar. Protect yourself and your loved ones by asking your Familiar to guard your home. Make your magic even more potent by enlisting your Familiar's aid in spellwork and ritual. Keep your bond strong, and find out how to release a Familiar when its work is done or it has passed from the physical plane.

This is the first book to present never-before-published traditional Craft methods for working with Familiars as well as historical examples from Western ceremonial magic. Your magic will be even more powerful when you combine forces with a Familiar face.
